Stuck in a Hole A Captain Disposition Adventure

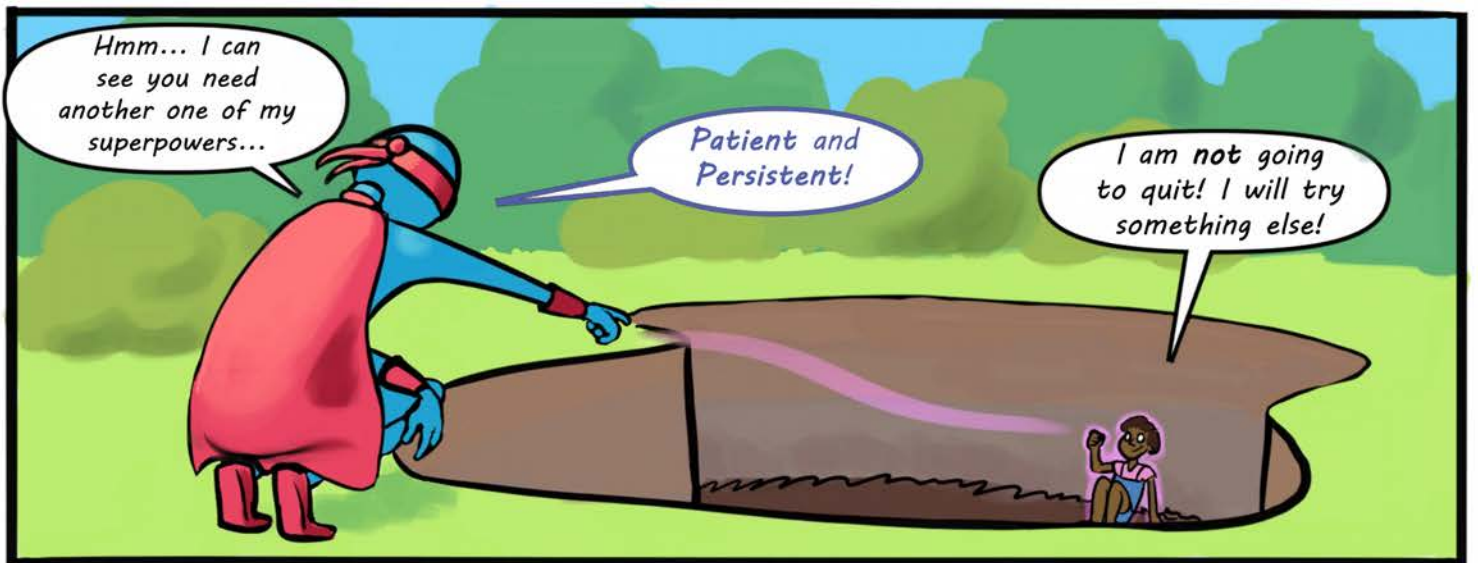

Hey... Maybe I can get a grip with my hands, and then try really hard to get out.

Oh, it didn't work! It's no use!

I might as well give up.

Hmm... I can see you need another one of my superpowers...

Patient and Persistent!

I am not going to quit! I will try something else!

Hello, Mum? I'm stuck down a hole. Can you come and get me please?

You're up the coast fishing?

And you won't be back until tomorrow? Okay, I'll try Dad.

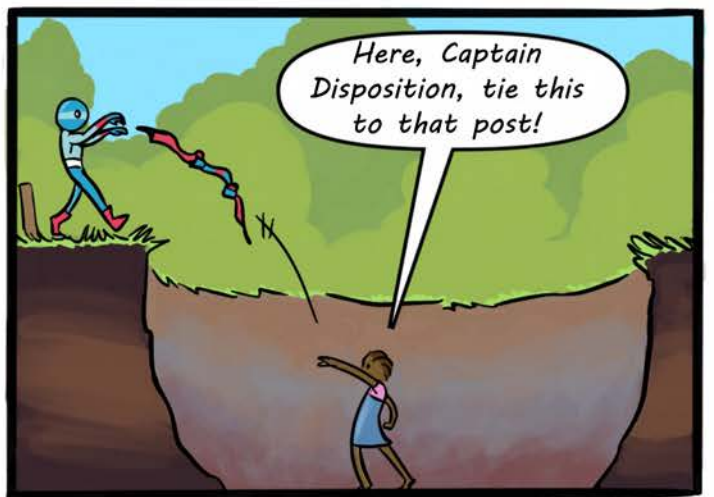

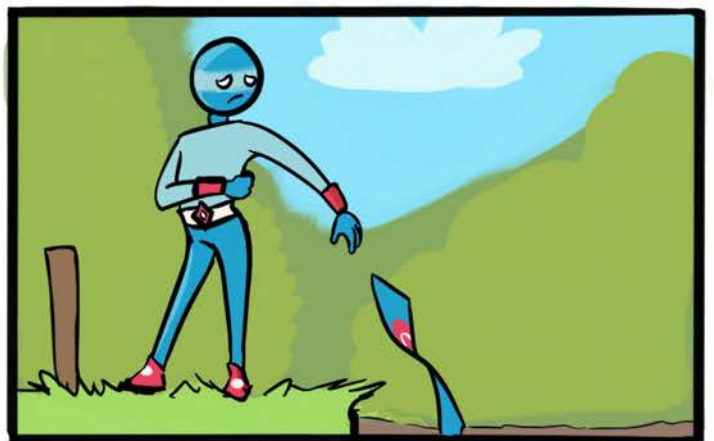

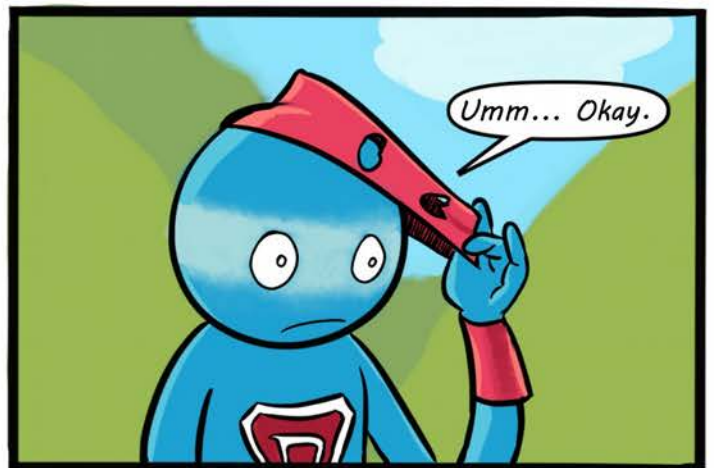

Hello, Dad? I'm stuck down a hole. Can you please come and get me?

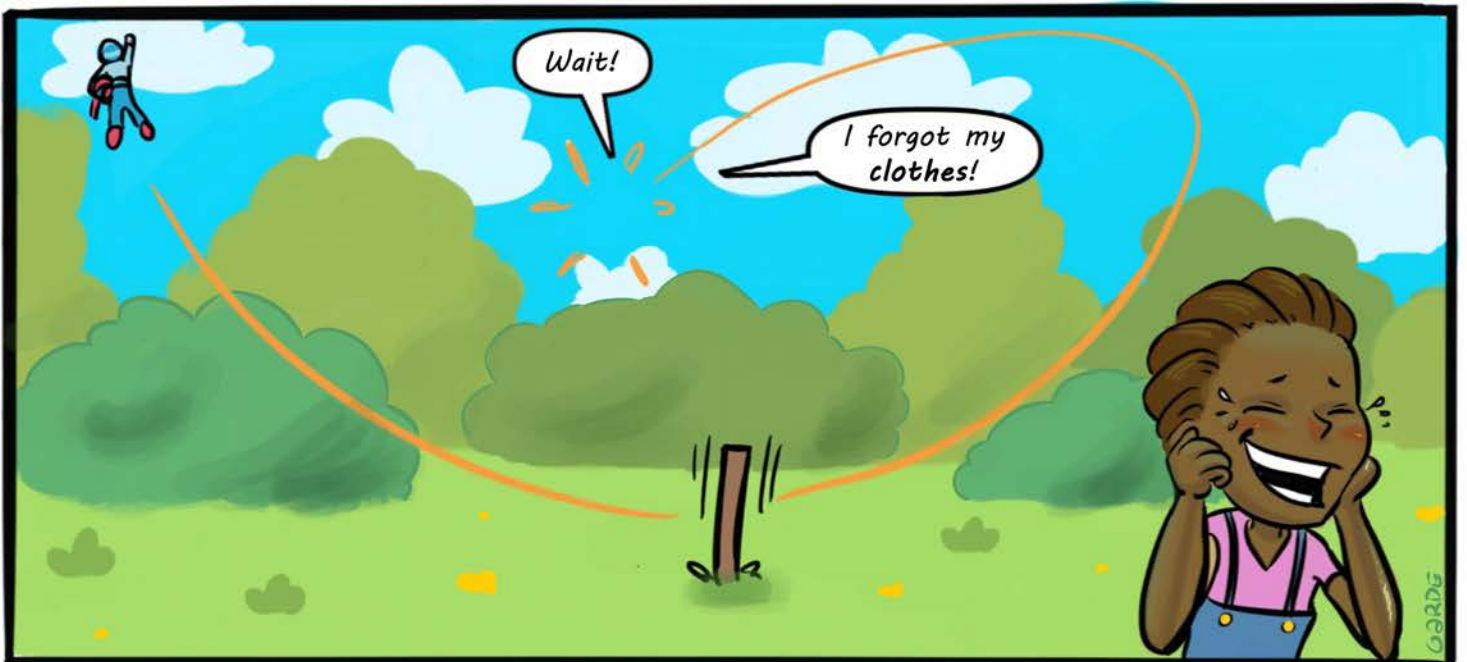

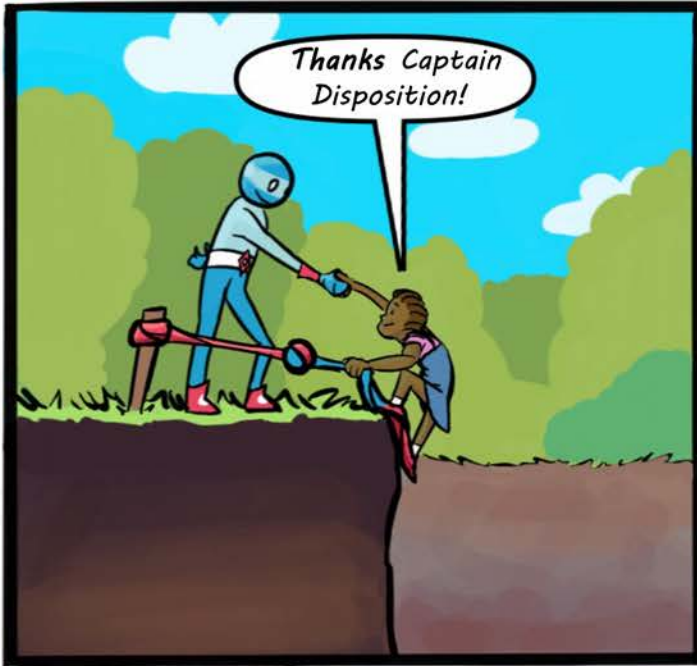

You're out shoe shopping with your friends and you won't be home for ages?

Okay, I'll figure something else out.

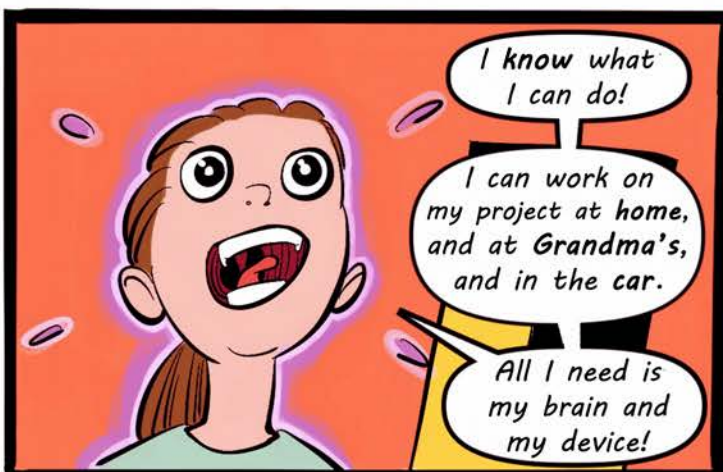

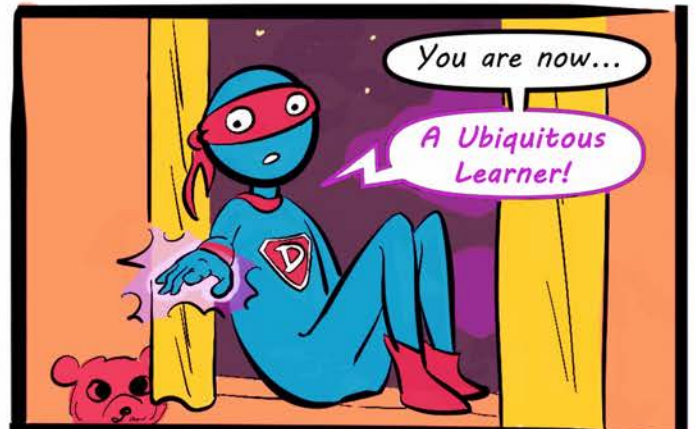

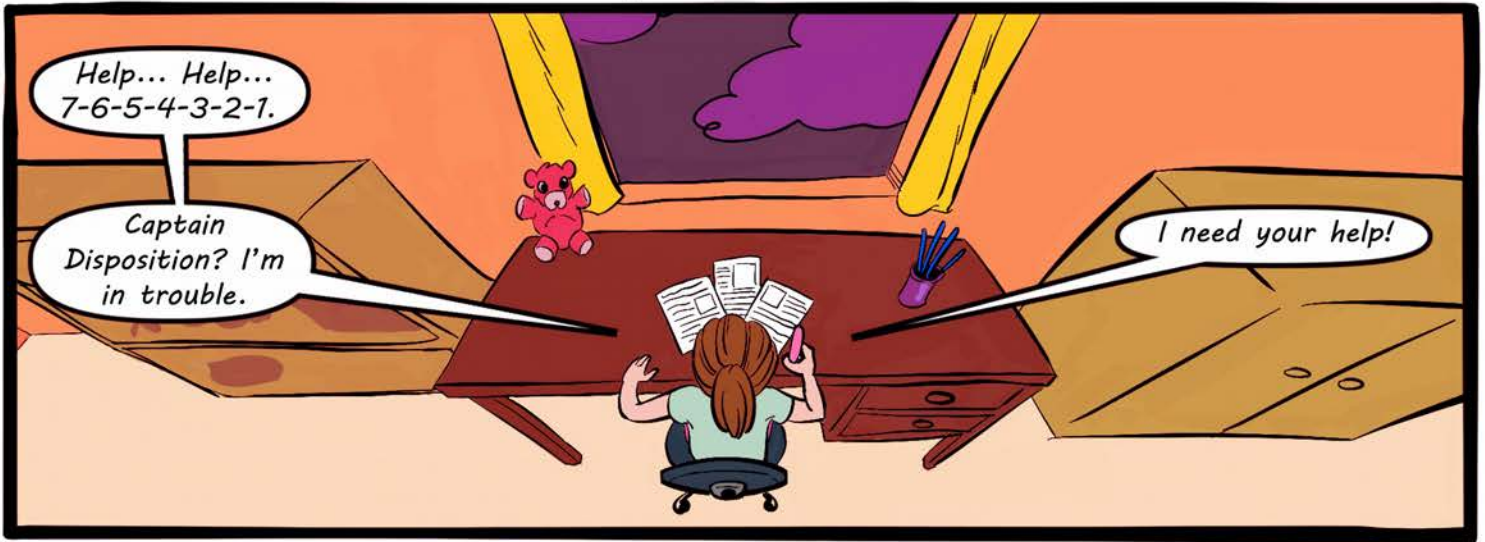

So, what will you do now to solve your problem?
