

CRITICAL AND CREATIVE THINKING ASSESSMENT

SUITABLE FOR
YEARS
2-8

PROJECT: _____

STUDENT NAME: _____

Application of Dispositions

<i>You were:</i>		✓
OPEN-MINDED	You were open to new and different ideas and you considered the opinions of others.	
FLEXIBLE	You looked at the problem from many perspectives and you changed your plan when new problems arose.	
RISK-TAKER	You were willing to try new ways of doing things and you weren't afraid of making mistakes.	
RESOURCEFUL	You found clever ways to overcome difficulties and you improvised if you didn't have the resources you needed.	
PATIENT & PERSISTENT	You took time to elaborate your ideas and you didn't give up when things got difficult.	
UBIQUITOUS LEARNER	You showed that thinking, learning and creating can take place anywhere, anyhow, anytime.	
REFLECTIVE	You were willing to judge your own work and think about your thinking and learning.	

Application of Skills and Strategies

<i>You used the:</i>		✓
BLACK & WHITE THINKING CAP	Fact-finding. You identified the problem, you defined the purpose of your product, you considered the viewpoints and perspectives of others, and you researched the topic to fill in gaps in your knowledge.	
RAINBOW THINKING CAP	Generating ideas. You generated a minimum of seven ideas (or solutions).	
GREEN & RED THINKING CAP	Judging ideas. You picked your best idea, rejected your worst ideas, and gave reasons to justify your decisions.	
PINK THINKING CAP	Planning. You clearly described the process (steps) you would follow to produce your product.	
PURPLE THINKING CAP	Producing. You created a prototype (or draft), made improvements, and presented/promoted your product.	
ORANGE THINKING CAP	Reflecting. You reflected on your processes by identifying successes and mistakes. You sought feedback from others.
