You were:

0 1 2 3 4 5

Open-minded	You remained open to the possibility of generating new ideas and solutions. You acknowledged the values, opinions and suggestions of others and you considered feedback from your teacher.						
Flexible	You modified your actions and processes and changed your plan as needed. You empathised with others by taking different perspectives.						
A Risk-taker	You skilfully and mindfully took risks when confronted with problems to which a solution was not immediately apparent. You grew in confidence as a result of repeated attempts at new and difficult tasks.						
Resourceful	You thought of creative ways to overcome challenges and you made the most of available resources to achieve your goals.						
Patient and Persistent	You revisited tasks even when your first attempts were unsuccessful. You selected and used strategies to assist you in reaching your personal and learning goals.						
A Ubiquitous Learner	You showed that 'the world is your classroom' by applying a range of learning methods and work practices at school and outside of school.						
Reflective	You made a realistic assessment of your abilities and achievements, you identified areas for improvement, and you identified enablers and barriers to achieving your goals.
