CLASS: _____

You were:

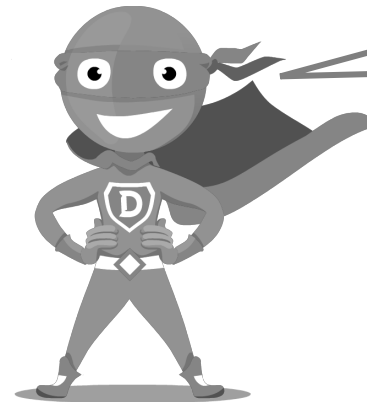

0 1 2 3 4 5

Open-minded	You were open to getting new ideas and you listened to the suggestions of others.						
Flexible	You looked at the topic through other people's eyes. You changed your plan if it wasn't working.						
Risk-taker	You were willing to try new ways of doing things. You weren't afraid of making mistakes.						
Resourceful	You found clever ways to overcome problems. You found something else to use if you didn't have what you needed.						
Patient and Persistent	You spent a lot of time making your creation better. You didn't give up when things went wrong.						
Ubiquitous Learner	You showed that you can think, learn and create anywhere, anytime (not just at school).						
Reflective	You thought deeply about what you had learned from the experience.
