<i>Disposition</i>		✓ <i>My Example</i>
Open-minded	I tried to think of new ideas. I listened to other people's ideas.	I was open-minded when
Flexible	I changed my plan if it wasn't working. I looked at things through other people's eyes (not just my own).	I was flexible when
Risk-taker	I tried doing something I hadn't done before. I wasn't afraid of making mistakes.	I was a risk-taker when
Resourceful	I came up with clever ways to fix my problems. I found something else to use if I didn't have what I needed.	I was resourceful when
Patient & Persistent	I put a lot of time into making my creation better. I didn't give up when things went wrong.	I was patient and persistent when
Ubiquitous Learner	I showed that I can think, learn and create anywhere, anytime (not just at school).	I was a ubiquitous learner when
Reflective	I noticed when my brain was learning new things. I thought about how I can use my brain better.	I was reflective when
