MAKE PREDICTIONS

APPLY LOGIC AND REASONING

A. PREDICT

Imagine what would happen if you put each idea into action. Use the following two questions to guide your thinking process, then complete the table below:

I. POSSIBLE and PRACTICAL?

Do you realistically have the means to put the idea into action?

II. POTENTIAL for success?

Are people likely to enjoy/buy/use your finished product?

Idea	Possible? Practical? <i>(Yes or No)</i>	Potential for success? <i>(Yes or No)</i>	Identify the PROS & CONS <i>(Explain the reasons for your Yes or No)</i>

B. PEER JUDGEMENT

Ask students (who are not in your group) for their opinions of your ideas. The most popular ideas were _____

C. **PICK** the most practical idea with the most potential for success. (This is the idea that you will put into action.) Give it a novel but suitable name and briefly describe it.
