

GREEN & RED THINKING CAP

Judge Ideas ~ PICK!

SUITABLE FOR
YEARS
5-10

NAME/S:

CLASS:

PROJECT:

MAKE PREDICTIONS
APPLY LOGIC AND REASONING

A. PREDICT

Imagine what would happen if you put each idea into action. Use the following two questions to guide your thinking process, then complete the table below:

i. POSSIBLE and PRACTICAL?

Do you realistically have the means to put the idea into action?

ii. POTENTIAL for success?

Are people likely to enjoy/value/use/buy your finished product?

<i>Idea</i>	<i>Possible? Practical?</i> <small>(Yes or No)</small>	<i>Potential for success?</i> <small>(Yes or No)</small>	<i>Identify the PROS & CONS</i> <small>(Explain the reasons for your Yes or No)</small>

#7			

B. PEER JUDGEMENT

Ask students (who are not in your group) for their opinions of your ideas.

The most popular ideas were _____

C. PICK the most practical idea with the most potential for success. (This is the idea that you will put into action.) Give it a novel but suitable name and briefly describe it.
